MEDIA RELEASE

## Suncombe Appoints Singapore Agent

Suncombe, the UK based biowaste decontamination, washing, cleaning and critical process engineers for the biopharma industries, has appointed Pharmedley Pte Ltd, based in Singapore, as its sole agent for the Singaporean, Malaysian, Thailand and Indonesian markets.

This region has significant potential as the biopharma sector is developing rapidly there. A coordinated approach to marketing, sales and service of these technologies offer major advantages.

Pharmedley are well established in the region as a supplier of high quality processing and packaging equipment for the pharmaceutical, biotech, cosmetics and chemical markets. It has a reputation as one of the most experienced suppliers in its field.

Commenting on the appointment David Adams of Suncombe said, "We have been supplying the Pacific Rim region for many years. But working with Pharmedley will enable us to offer a new level of service to our customers. They are a great company and we believe they will be a great asset to our existing clientele and to the development of our South East Asian business."
